A large container ship is shown from a low angle, moving through a narrow waterway. The ship's deck is completely covered with stacks of shipping containers in various colors, including blue, orange, and grey. The ship's hull is dark grey and black. The water is dark and turbulent, with white foam from the ship's wake. The sky is overcast with grey clouds. The text "BASIC ISSUE" and "ST. PAUL, MN, USA" is overlaid on the lower part of the ship's hull.
